RECYCLING

The Town of Lempster has no regulated policy but urges all of its residents to voluntarily recycle.

Recyclable materials

Plastics: Not accepted at this time.

Mixed paper: Newspaper, magazines, junk mail, office paper, cereal boxes, paper bags.
***NO**: Shredded paper, wrapping paper, grain bags, napkins, paper plates or hard cover books.*

Cardboard: Corrugated cardboard **only. ALL** cardboard must be clean and dry. **NO** packing peanuts, Styrofoam, or plastic contamination. **Please** flatten boxes.

Aluminum beer and soda cans.

Tin Cans: This includes empty paint and aerosol cans, aluminum foil, baking pans, and pet food cans.

Glass: food and beverage containers, window glass, dishes, mirrors.

Other materials collected for recycling:

Scrap metal
Waste oil
Lead acid automotive batteries

Household batteries: We collect all types of rechargeable and lithium batteries.
Non-rechargeable alkaline batteries can go in the trash.

Payment of any disposal fees must be made to Attendant.
Payment must be by cash or check.

A maximum of two (2) decals per household, each decal is $20.00.

The Attendant ***WILL*** require proof of a current Transfer Station Decal.

The decal ***MUST*** be displayed on the vehicle.

If there is any question of eligibility to dispose of trash in Lempster, the Attendant will require proof of residency or property ownership.

Remember: The Attendants are always willing to answer any questions.

Compactor:

There is a $10.00 surcharge for contractor and 30 gallon or larger bags placed in the compactor which are tied or closed. ONLY household waste is accepted free of charge in the compactor.

The Lempster Transfer Station is to be used for the disposal of Lempster-generated household refuse. Trash may NOT be imported from other towns.
