

## TOWN OF LEMPSTER

### Lempster Conservation Commission

#### Approved Minutes September 16, 2020

Present: Chair; Wes Ash, Secretary, Sue Lichty, Rachel and Phil Tirrell  
Absent-Ivan Wallace

The meeting was called to order by chair, Wes Ash at 9 am at the area behind the Fire Station, using social distancing. The storage building was leveled and we discussed painting it and building a work bench inside.

*A motion was made by Rachel to approve up to \$50 for Wes to use for building supplies for the bench and also for a roll of flagging tape, second by Sue. All were in favor.*

**Minutes:** *The minutes of the 8-19-2020 meeting were approved with a motion by Phil, second by Wes. All were in favor.*

As Phil had to leave, the three of us traveled to the apple orchard and marked dead and crowded trees to be cut with spray paint. It was difficult to walk, as the grass and weeds are very high and it was suggested that we see if we can get the area mowed fairly soon.

We will plan a later work day to cut these trees and make a burn pile.

Also we will plan a work day for the school to attempt to eradicate the bittersweet that is taking over there.

**Treasurer's Report:** not available at this time

*The meeting was adjourned @ 11:05 am, with a motion by Wes, second by Rachel. All were in favor.*
