**Building Permit language.** Motion made by Bill Rodeschin, seconded by Everett Thurber, to approve and adopt the following language to be added to the present Building Permit Application:

*Will the project require earth material to be removed from this property?*

Y N

*If excavation of earth material is required, which is more than exclusively incidental to construction, a review by the Lempster Planning Board is necessary. It is important to note that the final determination of whether alteration of terrain within a lot is incidental to construction or requires an earth excavation permit, is to be determined by the Lempster Planning Board. NH RSA 155-E:2 (1 a & b)*

Motion was approved unanimously.

Motion made by David Richards and seconded by Everett Thurber to adjourn the meeting. Motion passed unanimously. The meeting was adjourned at 8:30 pm.

Respectfully submitted,
