

**TOWN OF LEMPSTER
BOARD OF SELECTMEN
Approved Meeting Minutes – Olds Road Bridge
September 23, 2021**

Board Present: Mary Grenier, Everett Thurber and Traci Homol
Administrative Assistant Robin Cantara

Others Present: Daryl Simino, Josh Stevens and Mike Homol.

Mary called the meeting to order at 4:30PM.

The Board met to discuss the damages to the Olds Road Bridge and repair options. The engineer did not make it to the meeting but will be viewing site with contractor Josh Stevens.

Josh recommends a one-way slab, which has a lifespan of 50-100 years. No activity will take place in the water during the repairs. The idea is to pan the bridge and fill it with approximately 40-42' of concrete – 2' deep reinforced with #8 rebar.

The bridge will be rated as an E-2 Bridge.

Josh estimates it will take two weeks to design the bridge, construction would begin mid-October, estimated to be completed within two to three weeks.

The cost to construct \$100,000.00 - \$150,000.00.

Josh will email “like” plans in time for Tuesday’s select board meeting.

Josh will inspect Crescent Lake Road Bridge and Wheeler Lane Bridge for repair costs to present to the select board.

Mary made a motion to adjourn the meeting at 4:58 PM; seconded by Everett, all in favor.

Respectfully submitted,

Robin Cantara
Administrative Assistant
