RECYCLING

The Town of Lempster has no regulated policy but urges all residents to voluntarily recycle.

Recyclable materials

Plastics: #1-7 household plastics.

All containers must be rinsed. NO oil or chemical containers, plastic bags, pails or toys. Please remove caps.

Mixed paper: Newspaper, magazines, junk mail, office paper, cereal boxes, paper bags.
NO: Shredded paper, wrapping paper, grain bags, napkins, paper plates or hard cover books.

Cardboard: Corrugated cardboard **only**.

All cardboard must be clean and dry. **NO** packing peanuts, Styrofoam, or plastic contamination.

Please flatten boxes.

Aluminum beer and soda cans.

Tin Cans: This includes empty paint and aerosol cans, aluminum foil, baking pans, and pet food cans.

Glass: food and beverage containers, window glass, dishes, mirrors.

Other materials collected for recycling:

- Scrap metal
- Waste oil
- Lead acid automotive batteries

Household batteries: We collect all types of rechargeable and lithium batteries. Non-rechargeable alkaline batteries can go in the trash.

The Lempster Transfer Station is to be used for the disposal of Lempster-generated household refuse. Trash may NOT be imported from other towns.

Payment of any disposal fees must be made to Attendant.

Payment must be by cash or check.

Decal - \$20 each (limit 2 per household)

The Attendant WILL require proof of a current Transfer Station Decal. The decal MUST be displayed on the vehicle.

If there is any question of eligibility to dispose of trash in Lempster, the Attendant will require proof of residency or property ownership.

Remember: The Attendants are always willing to answer any questions or give you a hand with heavy items.
