Old Business

Excavation site review for Gary Caron:

Open area East of the house has been leveled off. There is minimal activity and all of it is within permit with no major concern. Pictures were placed in file.

Excavation site review for Keith and Della Fulton:

Area 2 of the permit is the only activity. There is a processor set up in the center of the area with sorted material piles. There is sand being removed from the South end of the area. All activity is within permit with no major concern. Pictures were placed in file.

Excavation site review for Hersey Acres:

Multiple areas open with assortment of material exposed. All activity is within permit with no major concern. Pictures were placed in file.

Excavation site review for Newport Sand & Gravel:

Single area is open. All activity is within permit with no major concern. Pictures were placed in file.
