**Old Business-**

**Use of Town WIFI:** Phil Tirrell stated he was not aware that the Meeting House had Consolidated and not NH Broadband when he spoke with them, NH Broadband is scheduled to install lines and 2 routers on February 4<sup>th</sup>; they will give us the best deal possible, Phil believes it will cost approximately \$49.00 per month vs. the \$59.00 per month CCI charges.

**New Business-**

**Rabies Clinic location:** Mary presented to those in attendance that Traci wanted to discuss moving the Clinic to the Fire Station, Mary's opinion is that the Selectmen have nothing to do with the Clinic. When it's held at the Town Office Linda is available to register resident's dogs. Everett doesn't think the Clinic is so busy that it can't be held at the Town Office. Linda spoke on the matter and she understands Traci's concerns, however last year was a unique year due to Covid-19. Linda will present the information to the Friends of the Library at their next meeting, as they are the organization that sponsors the clinic. The Fire Department and the Friends of the Library would both need to be in agreement on the matter.

**Archive 2021 minutes or leave with 2022 Minutes and Remove Old Agendas:** Edie requested the Board's opinion on placing the 2021 minutes in an archived folder or leaving them listed with the 2022 minutes and wanted to know if the old agendas should be removed. Mary asked Robin what she thought – Robin feels the minutes and old agendas should be archived into a folder by year. Mary and Everett agree.
