Mary called the meeting to order at 7:35 PM and turned the meeting over to Michael Shklar.

Questions were raised as to why this was a meeting and not a hearing; Moderator Shklar explained the law is clear on the criteria for holding a Public Hearing, as there are no decisions or votes taking place, this is considered a meeting.

The meeting was held to hear concerns and discuss various issues surrounding the Lempster ATV Trail System and the use of Town Roads which are not designated as trails for ATV use. No decisions were made or votes taken regarding concerns voiced by those in attendance.

The Select Board will discuss the concerns raised at this meeting during future duly posted Select Board Meetings.

Moderator Shklar explained that a Petitioned Warrant Article at Town Meeting may be a solution as the Selectmen may only act as prescribed and granted under the authority of New Hampshire Law. Whereas the Board may take under advisement the will of the voters through a Warrant Article.

Traci made a motion to adjourn the meeting at 8:34 PM; seconded by Mary, all in favor.

Respectfully submitted,

Robin Cantara
Administrative Assistant
