Treasurer's report:

Old Business:

- Walked the north and west boundaries of the Earl's Lane property, and flagged the northern boundary parallel to Mountain Road
- Carbon Credit
- Lynda walked Lady Slipper Trail and removed debris. There is one large tree that needs to be cut and removed from the trail. More trail markings are needed. Rachel has some blue markers that were donated to the club that can be used.
- Mindy walked Silver Mountain trail and there is a tree down on that trail as well. That trail is maintained by Protection of NH Forests land stewards
