

APRIL 2023 – MEMBERSHIP DRIVE

The Lempster Historical Society relies on volunteerism, membership fees, tax free donations and fundraising events to support and keep this Society alive. Its purpose is to promote interest in the Town of Lempster to create a history for the town, to preserve and display artifacts and to help with the maintenance and care of historical property sites which include History Hall and the Dodge Hollow Schoolhouse.

Due to a lack of active membership, “The Historian” newsletter is temporarily unpublished...we hope that you will consider an annual (\$5.00) contribution to our membership drive – and even more – consider attending our 1 hour monthly meetings.

Our current goals include:

- Maintaining and upgrading History Hall which include exterior lighting, interior acoustics, kitchen upgrade, handicapped entrance, etc.
- Maintaining a guest speaker program
- Publication of “The Historian” newsletter
- Maintaining our artifact collections
- Supporting community events such as Old Home Day, Lempster Community School Craft Fair, Lempster Fire Dept. Yard Sale, Friends of Library Book Sale, etc.

All are welcome to attend the LHS meetings which are held the 4th Thursday each month at 6:30pm at History Hall:

Located where the current Bonnie Plant facilities are on Route 10, a religious organization called the High View Church maintained quite a history in our little town. Some called them a religious cult, however, at one time in the 1970’s, this location housed a restaurant that brought tour busses into Lempster from all over New England and Canada! Come listen to this wicked interesting and intriguing presentation which will include local residents who worked with them, for them and amongst them! This presentation has never been given before, and promises to be our most exciting presentation to date!
