Transfer Station:

Fee Schedule –

The Board and Daryl discussed the revised disposal fees for the Transfer Station. The only change to previously discussed increases were for tire fees; car, pickup truck and SUV's were combined with a fee of \$10.00 each, tractor trailer tires were increased to \$25.00 each.

Daryl requested that the Highway/Transfer Station Supervisor be put in charge of future resident disposal fees in keeping with the rates the town is charged for disposal and trucking.

The Board agreed to allow the Supervisor to set future resident fees, with final approval by the Select Board.

The new rates will be implemented on June 1, 2023; after formal adoption at the next Selectmen's meeting to be held May 23, 2023.

Traci moves to adjourn the meeting at 7:50 A.M., seconded by Everett; all in favor.

Respectfully submitted,

Robin Cantara
Administrative Assistant
