

Lempster Fire-Rescue Meeting Minutes

6/03/2026

Present- Chief J.Thomas, Capt. D.Richards, Rescue Capt. S.Bosse, 1ST LT J.Moulton, 2ND LT K.Bill, Rescue LT M.Kraus, R.Clark, S.French, and T.Brennan

Pledge of Allegiance and Moment of Silence

Motion to accept minutes as corrected made by Ron and 2ND by Mel with all in favor

Old Business-

- Shannen to reach out to Becker Training for those who haven't had CPR recertification
- Forestry training in Stoddard went well. David trying to put another drill/training together
- First Net- our existing tablets are too old to switch over. We can lease 3 tablets for \$1 each for a 2 year plan. Will cost us around \$15 per line and would be around \$55 a month. Jon made a motion to try a 30 day trial with a 2ND by Joe with all in favor. David to file the paperwork. Suggested to bring in First Net rep Corey Donahue for our July meeting
- We need to get new rescue equipment sorted out and organized. David to take out boat 1 for breakin time. We will do monthly truck checks then organize new rescue equipment
- Mel is working on a new medical bag for Engine 1. Motion made by Jon and 2ND by Sydney with all in favor to purchase 2 new bags. 1 bag will be donated and the 2ND bag to be purchased out of the rescue budget. Also need to purchase a new stethoscope for Engine

- Phil spoke to dispatch about timetable for the installation of new lightbar for Tanker, No time frame as of now. Upfittering department has our lightbar
- Jon reached out to Dean Erikson about EV plugs and EV blanket. Jon made a motion to purchase a EV plug with a 2ND from Tom with all in favor. Joe to draft a letter for donations for EV equipment. EV plug cost is \$1050.00 and EV blanket cost is \$1500.00

New Business-

- Celebration of life for retired Asst. Chief Dana Ranspott will be June 20 at 1 PM at Sunapee Safety Services Building
- Mel replaced expired tylenol
- Jon reached out to Lakes Region Fire Apparatus about the Ladder and Tanker pressure relief valves
- Washington Fire will be hosting a technical rope rescue drill on June 28 starting at 18:00 also on August 19 starting at 18:00 there will be an airway emergency training at Washington Fire
- Radio issues- Concord Fire Alarm and New London Dispatch- see if we can get these programmed into our radios so we are able to transmit and receive. Also see if we can get rid of the beep from our radios because it's annoying. David to reach out to dispatch.

Motion made to adjourn to Association Meeting made by Joe and 2ND by Ron with all in favor.

Respectfully Submitted by-

Secretary Joseph Moulton
