Old Business-

- Shannen needs to get with personnel that hasn't had CPR recertification yet and set a date
- David has been back and forth with First Net with a rep coming to our August meeting
- Need to register trailer and register boat with bow numbers
- New med bags are on the squad and engine- not exactly the same but are all set to go. New stethoscope in engine med bag
- Lightbar being installed tomorrow on tanker
- Tanker relief valve has been fixed- lots of buildup. Ladder 1 wiring changed and sorted out. Can't pump then use aerial power. You have to engage aerial power then pump shift
- Washington ropes training and technical rescue was great. Just a reminder to focus on big picture not one object
- Joe to send draft letter to area dealerships for donation towards EV equipment
- Jon needs to check and see if his radio in Ford works on new frequencies
- Forestry training- Grafton-Sullivan County- regional- Cornish/Plainfield

New Business-

- Email going around from Jesse Moore email address- Don't open it's a scam. This is not from him personally.
- Engine 1 is waiting on new rear bumper but all other parts are in. When everything is in set a date for Pattens to get the job done
- Tommy to do lineup for this years Old Home day parade. Need some help with tent setup the night before
- Grant funding- 3 tiers- for EMS
- Dispatch has received a new grant for updating all radio sites on NH side. Also applied for another grant to update all portable radios in State of NH. 5 year program with Capitol Area-Lakes Region- and SWDFMA
- Waiting on Washington for another drill on Large Scale animal rescue- Water rescue
- Ice machine is leaking again- Jon to look at
- Tom B has cut a 60 by 60 area of long grass with a flat surface on Dodge Hollow for another DHART landing zone
