Moved and Seconded New Hampshire Town Meeting by Rebecca Rule

In her program, *In Moved and Second*, Rebecca Rule discusses the rituals, traditions, and history of town meeting in New England, particularly New Hampshire. You'll meet some of the characters that keep meetings lively and dip into the literature inspired by how way we govern ourselves around here; it's not always pretty, but it works. Town meeting is a microcosm of small town life, complete with down-home wit and wisdom, and lots of dry, yankee humor. The program is based on her book *Moved and Seconded: NH Town Meeting*, the past, present and future—a tribute to a unique institution with a storied past and an uncertain future. Participants are invited to share some of their own town meeting experiences, questions, and observations. She'll be bringing her trusty gavel.
